

DEAR MS JACKSON,

Thank you for the opportunity to provide my feedback as part of Midas Gold Idaho's public permitting process.

It was important to me that Midas Gold found a safe access route to the site during construction and operations. I feel confident in the company's plan to use Burntlog Road and limit the number of daily trips, as outlined under alternative 2. Midas plans to bus employees into the site and have them stay there during their shifts. This seemingly small decision will greatly reduce the number of vehicles on the road and help prevent accidents.

Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. Please permit the Stibnite Gold Project.

Most Respectfully,

Name: Earl Joseph Wheeler
