

Dear Ms. Linda Jackson,

I am writing in support of the Stibnite Gold Project and the benefits it will bring to Idaho. This project has the potential to put hundreds of Idahoans to work, bring a \$1 billion investment into our state and restore an area of Idaho's backcountry desperately in need of repair.

Midas Gold Idaho is proposing a great project for Idaho's economy, citizens and environment. When the project goes into production, the company plans to invest \$1 billion in Idaho and provide approximately 1,000 jobs over the course of the mine's life. Midas Gold has made a commitment to look to Idaho first for talent and supplies which will have a major trickledown effect and positively impact many facets of the state's economy.

I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

Yours,

Name: Ella Wisdom
