

Ms. Jackson,

I am writing to express my views on Midas Gold Idaho's Stibnite Gold Project. The opportunity presented by the Stibnite Gold Project is compelling for many reasons and it is a project I am committed to seeing come to fruition.

Access to public lands is a right extended to all Idahoans. This is something Midas Gold understands and has prioritized in their Plan of Restoration and Operations. While some of the Stibnite Gold Project will take place on public lands, Midas Gold has made a commitment to the community to ensure access is preserved to people's favorite places. The company has promised to provide parking for winter recreationalists at their maintenance facility and submitted an additional plan to the U.S. Forest Service to allow Idahoans to continue to use Stibnite Road throughout the life of the project when it is safe. Their willingness to work with recreationalists to provide access gives me great hope for the future.

I encourage the USFS to move the Stibnite Gold Project forward and permit Midas Gold Idaho's project as outlined in alternative 2 in the DEIS.

Respectfully,

Name: Cheryl Henderson
