

GREETINGS,

Midas Gold Idaho has been a member of our community for the past decade. During this time, the company and its employees have become wonderful champions and supporters of our community. They've volunteered their time in our schools and given generously to community causes. The company's track record of following through on its promises and doing the right thing gives us the confidence to write in support of permitting the Stibnite Gold Project.

Access to public lands is a right extended to all Idahoans. This is something Midas Gold understands and has prioritized in their Plan of Restoration and Operations. While some of the Stibnite Gold Project will take place on public lands, Midas Gold has made a commitment to the community to ensure access is preserved to people's favorite places. The company has promised to provide parking for winter recreationalists at their maintenance facility and submitted an additional plan to the U.S. Forest Service to allow Idahoans to continue to use Stibnite Road throughout the life of the project when it is safe. Their willingness to work with recreationalists to provide access gives me great hope for the future.

I appreciate your time and thoughtfulness. For the reasons I stated in my letter above, please permit the Stibnite Gold Project using alternative 2 and let Idahoans see the benefits of this important project.

Best Wishes,

Name: Stanley Philip Sweet
