

Dear Ms. Linda Jackson,

I am writing in support of the Stibnite Gold Project and the benefits it will bring to Idaho. This project has the potential to put hundreds of Idahoans to work, bring a \$1 billion investment into our state and restore an area of Idaho's backcountry desperately in need of repair.

It was important to me that Midas Gold found a safe access route to the site during construction and operations. I feel confident in the company's plan to use Burntlog Road and limit the number of daily trips, as outlined under alternative 2. Midas plans to bus employees into the site and have them stay there during their shifts. This seemingly small decision will greatly reduce the number of vehicles on the road and help prevent accidents.

Thank you for reviewing my comments. Again, I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative 2.

Yours,

Name: Ken Miller
