

Dear US National Forest Service Staff,

I am proud to submit my comments in support of Midas Gold Idaho's Stibnite Gold Project. This project presents our state with an incredible opportunity to bring well-paying jobs to rural Idaho, boost our state's economy and use private investment to clean up a brownfield site.

The project will bring huge economic benefits to the rural communities surrounding the project site. Midas Gold will directly employ 400-500 employees during construction and operations. Payroll is expected to exceed \$34 million. These numbers do not even capture the indirect jobs I am confident nearby towns will see from the Stibnite Gold Project.

I encourage the U.S. Forest Service to move the Stibnite Gold Project forward and adopt Alternative two as the preferred alternative.

Most Respectfully,

Name: Craig Loyson
