

Attention Linda Jackson,

I have been closely following Midas Gold Idaho's plans for several years. I am excited to finally have the opportunity to comment on their Draft EIS. Midas Gold Idaho presents a huge opportunity for the Gem State.

Midas Gold Idaho is proposing a great project for Idaho's economy, citizens and environment. When the project goes into production, the company plans to invest \$1 billion in Idaho and provide approximately 1,000 jobs over the course of the mine's life. Midas Gold has made a commitment to look to Idaho first for talent and supplies which will have a major trickledown effect and positively impact many facets of the state's economy.

I encourage the USFS to move the Stibnite Gold Project forward and permit Midas Gold Idaho's project as outlined in alternative 2 in the DEIS.

My best,

Name: Charles Stamm
