

Payette National Forest Supervisor,

I have been closely following Midas Gold Idaho's plans for several years. I am excited to finally have the opportunity to comment on their Draft EIS. Midas Gold Idaho presents a huge opportunity for the Gem State.

Midas Gold Idaho believes in a local workforce and has promised to hire Idahoans whenever possible. The company will provide employees with training and help our state build a more skilled workforce. These jobs are not entry level positions and the skills are valuable in other industries outside of mining. Midas Gold estimates salaries will be two times higher than the local average in Valley County. This can make a big difference in the life of many families.

Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. Please permit the Stibnite Gold Project.

Thanks for your time,

Name: charles
