

Dear Payette National Forest Supervisor,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Over the past several years Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to permit the proposed activities outlined by Midas Gold in its Alternative 2.

It was important to me that Midas Gold found a safe access route to the site during construction and operations. I feel confident in the company's plan to use Burntlog Road and limit the number of daily trips, as outlined under alternative 2. Midas plans to bus employees into the site and have them stay there during their shifts. This seemingly small decision will greatly reduce the number of vehicles on the road and help prevent accidents.

Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. Please permit the Stibnite Gold Project.

Yours, Scott Schlagel
