

Attention Ms. Jackson,

I am proud to welcome Midas Gold Idaho into our state and proud to support the Stibnite Gold Project. I hope you will take the time to consider my comments on why you should move to permit the project.

The Stibnite Gold Project will bring huge economic benefits to Idaho, particularly in Valley County. Midas Gold will directly employ 400-500 employees during construction and operations. Payroll is expected to exceed \$34 million. These numbers do not even capture the indirect jobs. Some third-party estimates show one indirect job will be created every time Midas Gold hires an employee. The project has the potential to have a positive, widespread impact on the state.

The Stibnite Gold Project is the type of project our state needs. I highly encourage the U.S. Forest Service to permit this project, using alternative two presented by Midas Gold, as expeditiously as possible. There is no need to extend the comment period. Sixty days is plenty of time to comment and we need the benefits of this project now. Please consider the facts of the various reports and studies in relation to public comment as opposed to emotional statements from the public and paid protesters.

Thank you.

Most Respectfully,

Name: Joey Dean
