

Dear Permitting Officials,

Thank you for the opportunity to comment during the Draft EIS period for the Stibnite Gold Project.

I urge you to approve the project as outlined by Midas Gold in Alternative 2, it is the best of the alternatives outlined by the USFS. The Stibnite Gold Project will provide a huge benefit to the community and the local environment. The USFS has taken meaningful measures to ensure the public has had enough time and resources during the public comment period.

I believe that Midas Gold has the best intentions for the environment and community moving forward with the Stibnite Gold Project. They have my full support and I look forward to the good they can accomplish for the local economy and environment.

Respectfully,

Jordan Cervalli
