

Greetings Ms. Jackson and Staff,

I strongly support Midas Gold Idaho and the Stibnite Gold Project. Midas Gold is a modern mining company sensitive to the environment. They will leave Valley County and the State of Idaho better than they found it. Please adopt the proposed activities outlined in Alternative 2 during the permitting process.

I would like to thank the U.S. Forest Service for providing the opportunity, and sufficient time, to comment on this important project's permitting process. I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

Sincerely,

Ephraim Greenwall
