

Attention Linda Jackson,

Midas Gold Idaho's Stibnite Gold Project presents Idaho, particularly rural Idaho, with a huge economic and environmental opportunity. I am writing to encourage you to permit the project as quickly as possible.

Thank you for reviewing my comments. I am grateful for the tools the Forest Service has provided to review the document and participate in this process. I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative two.

I encourage the USFS to move the Stibnite Gold Project forward and permit Midas Gold Idaho's project as outlined in their Modified Plan of Restoration and Operations, alternative 2 in the DEIS. The USFS has provided meaningful time to submit comments and already extended the comment period once, there should be no further delays.

Thanks Again,

Name: Geoffrey Imms
