

Attention payette national forest supervisor,

Thank you for the opportunity to provide my feedback as part of Midas Gold Idaho's public permitting process.

Thank you for considering my thoughts on the project. I am grateful for the virtual meeting room you created. It made learning about the project easy and gave me the tools I needed to submit meaningful comments. If I can do it, anyone can. I urge you to move forward with alternative two.

The comment period for the project was already extended once. The U.S. Forest Service has given the public more than adequate time to comment, plus tools that make reviewing the document easy and a virtual meeting room to make information more digestible. It is with this knowledge that I encourage the U.S. Forest Service to continue to move the project forward and permit the site using alternative 2 as the guide.

Thank You,

Name: William E. Cramer
