

Greetings Ms. Jackson and Staff,

Thank you for the opportunity to provide my feedback as part of Midas Gold Idaho's public permitting process.

I urge you to approve the project as outlined by Midas Gold in Alternative 2, it is the best of the alternatives outlined by the USFS. The Stibnite Gold Project will provide a huge benefit to our community and the local environment. The USFS has taken meaningful measures to ensure the public has had enough time and resources during the public comment period.
