

Ms. Jackson,

Thank you for the opportunity to provide my feedback as part of Midas Gold Idaho's public permitting process.

The Stibnite Gold Project is the type of project our state needs. I highly encourage the U.S. Forest Service to permit this project, using alternative two presented by Midas Gold, as expeditiously as possible. We need the benefits of this project now.

There has been more than sufficient time to comment on the Stibnite Gold Project. I encourage the U.S. Forest Service to move the Stibnite Gold Project forward and adopt Alternative two as the preferred alternative.

My best,

Name: Howard McConnell
