

GREETINGS,

Thank you for the opportunity to comment during the Draft EIS period for the Stibnite Gold Project.

Thank you for reviewing my comments. I am grateful for the tools the Forest Service has provided to review the document and participate in this process. I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative two.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than 1,000 jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. And with the coronavirus, we need it now more than ever. The USFS has provided sufficient time to review the document and provide comments. It is time to move forward. I highly encourage the U.S. Forest Service to pick alternative 2 as the preferred alternative for the Stibnite Gold Project.

Yours,
