

TO WHOM IT MAY CONCERN,

Midas Gold Idaho's Stibnite Gold Project presents Idaho, particularly rural Idaho, with a huge economic and environmental opportunity. I am writing to encourage you to permit the project as quickly as possible.

Thank you for reviewing my comments. I am grateful for the tools the Forest Service has provided to review the document and participate in this process. I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative two.

While the economic benefits of this project cannot be ignored, it also will transform an area in need for environmental repair. It is for all of these reasons that I encourage you to move the Stibnite Gold Project forward as outlined in alternative 2 within this 60-day comment period.

Most Respectfully,

Name: Steven Lutz
