

U.S.F.S. Officials,

Thank you for the opportunity to provide feedback on the Stibnite Gold Project as part of the public permitting process. I know this project will have a positive impact on the environment, communities surrounding the site and Idahoans.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than hundreds of jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. The U.S. Forest Service has provided Idahoans with meaningful tools to easily review the document and ample time to comment. I highly encourage the U.S. Forest Service to permit this project following alternative two.

I urge you to accept Midas Gold's plan as outlined under alternative two. The U.S. Forest Service has provided the public with helpful virtual tools and materials to submit meaningful comments on the project within the allotted timeframe. It is time to move this project forward.

Thanks for your Consideration,

Name: Pauline Ivie
