

Attention payette national forest supervisor,

Thank you for the opportunity to provide feedback on the Stibnite Gold Project as part of Midas Gold Idaho's Comment Period. I have been closely following Midas Gold Idaho's plans since they first came into our state, in large part because much of the proposed project will take place on public land. The more I have learned about the project, the more excited I am about the possibilities it will bring into our state.

I would like to thank the U.S. Forest Service for providing the opportunity, and sufficient time, to comment on this important project's permitting process. I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

This Stibnite Gold Project is a huge opportunity for Idaho. I am grateful for the tools the Forest Service has provided to review the DEIS and learn more about the project. These tools have given Idahoans sufficient time to comment. Please permit alternative 2 and continue moving the project forward so our citizens can reap the positive impacts.

My best,

Name: Ronald Clem
