

Attention Ms. Jackson,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Over the past several years Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to permit the proposed activities outlined by Midas Gold in its Alternative 2.

I would like to thank the U.S. Forest Service for providing the opportunity, and sufficient time, to comment on this important project's permitting process. I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

This project is a huge opportunity for Idaho. I encourage the U.S. Forest Service to permit alternative 2 so this brownfield site can finally be restored. The comment period has been extended once already. Sixty days gives Idahoans enough time to submit their comments and I hope there will be no additional delays.

Best regards,
