

Dear Payette National Forest Staff,

This letter is to express my support of Midas Gold's Stibnite Gold Project. America needs this project to be permitted. I hope after reading my thoughts you will understand why my support for Midas Gold Idaho is so strong.

Thank you for the thorough review of the Stibnite Gold Project. I urge you to now move forward and permit the mine using alternative 2, so Midas Gold can put Americans back to work.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than hundreds of jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. The U.S. Forest Service has provided Idahoans with meaningful tools to easily review the document and ample time to comment. I highly encourage the U.S. Forest Service to permit this project following alternative two.

Have a good day,

Name: John Metzger
