

Hello,

I am writing to express my views on Midas Gold Idaho's Stibnite Gold Project. The opportunity presented by the Stibnite Gold Project is compelling for many reasons and it is a project I am committed to seeing come to fruition.

This Stibnite Gold Project is a huge opportunity for Idaho. I am grateful for the tools the Forest Service has provided to review the DEIS and learn more about the project. These tools have given Idahoans sufficient time to comment. Please permit alternative 2 and continue moving the project forward so our citizens can reap the positive impacts.

For the above reasons and many more, please move forward with alternative 2 of the Stibnite Gold Project as it is important to all Idahoans. The comment period provides plenty of time to read the DEIS and submit comments. Further extensions of the comment period are unnecessary and will needlessly delay the project.

Thanks for your time,

Name: Mary Liston
