

TO WHOM IT MAY CONCERN,

I am writing in support of the Stibnite Gold Project. Thank you for the opportunity to provide my feedback as part of the National Environmental Policy Act.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than hundreds of jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. The U.S. Forest Service has provided Idahoans with meaningful tools to easily review the document and ample time to comment. I highly encourage the U.S. Forest Service to permit this project following alternative two.

I found the 60 days allotted and the digital tools provided by the USFS meaningful and sufficient for public review. Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. Please permit the Stibnite Gold Project and continue to move this important project forward.

Sincerely,

Name: Timothy McCarthy
