

Attention Ms. Jackson,

I am writing to express my views on Midas Gold Idaho's Stibnite Gold Project. The opportunity presented by the Stibnite Gold Project is compelling for many reasons and it is a project I am committed to seeing come to fruition.

I urge you to approve the project as outlined by Midas Gold in Alternative 2, it is the best of the alternatives outlined by the USFS. The Stibnite Gold Project will provide a huge benefit to our community and the local environment. The USFS has taken meaningful measures to ensure the public has had enough time and resources during the public comment period.

Reviewing Midas Gold's plans it is clear to me the company really believes in taking care of the environment and keeping the community safe. I urge you to permit the Stibnite Gold Project using alternative two and keep this project moving forward. The comment period has been extended by 15 days once already, please keep the comment period to 60 days, so we can prevent additional delays.

Thanks Again,

Name: Michael Miller
