

Linda Jackson,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Over the past several years Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to permit the proposed activities outlined by Midas Gold in its Alternative 2.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than hundreds of jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. The U.S. Forest Service has provided Idahoans with meaningful tools to easily review the document and ample time to comment. I highly encourage the U.S. Forest Service to permit this project following alternative two.

Reviewing Midas Gold's plans it is clear to me the company really believes in taking care of the environment and keeping the community safe. I urge you to permit the Stibnite Gold Project using alternative two and keep this project moving forward. The comment period has been extended by 15 days once already, please keep the comment period to 60 days, so we can prevent additional delays.

Best regards,
