

USFS,

Thank you for the opportunity to provide feedback on the Stibnite Gold Project as part of the public permitting process. I know this project will have a positive impact on the environment, communities surrounding the site and Idahoans.

There has been more than sufficient time to comment on the Stibnite Gold Project. I encourage the U.S. Forest Service to move the Stibnite Gold Project forward and adopt Alternative two as the preferred alternative.

I encourage the USFS to move the Stibnite Gold Project forward and permit Midas Gold Idaho's project as outlined in their Modified Plan of Restoration and Operations, alternative 2 in the DEIS. The USFS has provided meaningful time to submit comments and already extended the comment period once, there should be no further delays.

My best,

Name: Christopher Harriman
