

To Concerned Payette National Forest Staff,

I am proud to submit my comments in support of Midas Gold Idaho's Stibnite Gold Project. This project presents the state with an incredible opportunity to bring well-paying jobs to rural Idaho, boost the state's economy and use private investment to clean up a brownfield site.

I urge you to accept Midas Gold's plan as outlined under alternative two. The U.S. Forest Service has provided the public with helpful virtual tools and materials to submit meaningful comments on the project within the allotted timeframe. It is time to move this project forward.

There has been more than sufficient time to comment on the Stibnite Gold Project. I encourage the U.S. Forest Service to move the Stibnite Gold Project forward and adopt Alternative two as the preferred alternative.

Thanks Again,
