

To Concerned Payette National Forest Staff,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Midas Gold has shown they are committed to Idaho and want to take care of the environment. I hope you move forward and permit this project as quickly as possible.

Thank you for reviewing my comments. I am grateful for the tools the Forest Service has provided to review the document and participate in this process. I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative two.

For the above reasons and many more, please move forward with alternative 2 of the Stibnite Gold Project as it is important to all Idahoans. The comment period provides plenty of time to read the DEIS and submit comments. Further extensions of the comment period are unnecessary and will needlessly delay the project.

My best,
