

Usfs,

I am proud to welcome Midas Gold Idaho into our state and proud to support the Stibnite Gold Project. I hope you will take the time to consider my comments on why you should move to permit the project.

I would like to thank the U.S. Forest Service for providing the opportunity, and sufficient time, to comment on this important project's permitting process. I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

Thank you for the thorough review of the Stibnite Gold Project. I urge you to now move forward and permit the mine using alternative 2, so Midas Gold can put Americans back to work.

Thanks Again,

Name: Katrina Bond
