

Dear Payette National Forest Staff,

Midas Gold Idaho's Stibnite Gold Project presents Idaho, particularly rural Idaho, with a huge economic and environmental opportunity. I am writing to encourage you to permit the project as quickly as possible.

Mining provides jobs and opportunities that are important for our local economy. I am grateful to know Midas is committed to hiring locally and purchasing materials locally as much as possible. The Stibnite project will generate hundreds of job opportunities in construction and operations. This type of project will undoubtedly boost our local economy. Mining is an important contributor to a strong economy in Idaho and I know the Midas project will be no different. I support the Alternative 2 proposal because it is the safest way to bring these opportunities to life.

While the economic benefits of this project cannot be ignored, it also will transform an area in need for environmental repair. It is for all of these reasons that I encourage you to move the Stibnite Gold Project forward as outlined in alternative 2 within this 60-day comment period.

Best Wishes,

Name: Elizabeth Eversole
