

Attention Linda Jackson,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to adopt the proposed activities outlined in Alternative 2 during the permitting process.

Midas Gold has made it clear reclamation efforts will start alongside operations. They have worked to find safe access routes to the site that keeps vehicles away from our precious waterways. Plus, the company is trying to minimize their impact on the environment by keeping facilities within the existing footprint of historic mining operations.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than hundreds of jobs to rural Idaho and still provide access to Idaho's public lands. This is the type of project our state needs. The U.S. Forest Service has provided Idahoans with meaningful tools to easily review the document and ample time to comment. I highly encourage the U.S. Forest Service to permit this project following alternative two.

Sincerely,

Name: Jeffrey Staggs
