

U.S.F.S.,

I am writing in support of the Stibnite Gold Project and the benefits it will bring to Idaho. This project has the potential to put hundreds of Idahoans to work, bring a \$1 billion investment into our state and restore an area of Idaho's backcountry desperately in need of repair.

The Stibnite Gold Project will generate significant federal, state and local taxes over the life of the project. Estimate show the company will contribute \$86 million in state taxes over two decades. The economic benefits tied in with the environmental restoration of the site provide a win-win for the citizens who live in the surrounding communities, the state and the general population.

For the above reasons and many more, please move forward with alternative 2 of the Stibnite Gold Project as it is important to all Idahoans. The comment period provides plenty of time to read the DEIS and submit comments. Further extensions of the comment period are unnecessary and will needlessly delay the project.

Thanks for your Consideration,
