

Payette National Forest Supervisor,

I am writing in support of the Stibnite Gold Project. Thank you for the opportunity to provide my feedback as part of the National Environmental Policy Act.

The project will bring huge economic benefits to the rural communities surrounding the project site. Midas Gold will directly employ 400-500 employees during construction and operations. Payroll is expected to exceed \$34 million. These numbers do not even capture the indirect jobs I am confident nearby towns will see from the Stibnite Gold Project.

The comment period for the project was already extended once. The U.S. Forest Service has given the public more than adequate time to comment, plus tools that make reviewing the document easy and a virtual meeting room to make information more digestible. It is with this knowledge that I encourage the U.S. Forest Service to continue to move the project forward and permit the site using alternative 2 as the guide.

My best,

Name: Glenn A LaZelle
