

Linda Jackson,

I am writing in support of the Stibnite Gold Project. Thank you for the opportunity to provide my feedback as part of the National Environmental Policy Act.

Idaho and the USA will need this gold. Gold and silver will be money again soon, trust me...as the Feds destroy the dollar. The project will CLEAN UP the existing mess there, and will do things right going forward...what in the world is not to like about that??

There has been more than sufficient time to comment on the Stibnite Gold Project. I encourage the U.S. Forest Service to move the Stibnite Gold Project forward and adopt Alternative two as the preferred alternative.

My best,

Gary T Gorski
