RE: Chiricahua Public Access Project #57856

Dear Mr. Ruppel:

Arizona Sportsmen for Wildlife Conservation (AZSFWC) is a 501c-3 non-profit organization dedicated to wildlife conservation, habitat work, youth recruitment and retention, as well as educating sportsmen and women on issues important to their passions. AZSFWC consists of 43 member, affiliate, and associate groups that reach across the spectrum of conservation, hunting, angling, shooting, outdoor recreation and businesses from across Arizona. Our member groups represent more than 10,000 sportsmen and women from the state.

AZSFWC and 28 of our member organizations want to reiterate our support for the Chiricahua Public Access Project. We have attached our September 3, 2020 letter confirming that position.

AZSFWC has long advocated for improved and enhanced access on our public lands in Arizona and we appreciate your efforts with this project!

Thank you.

Yours in Conservation,
