

E. Divide Phase II Project - Caseknife Area

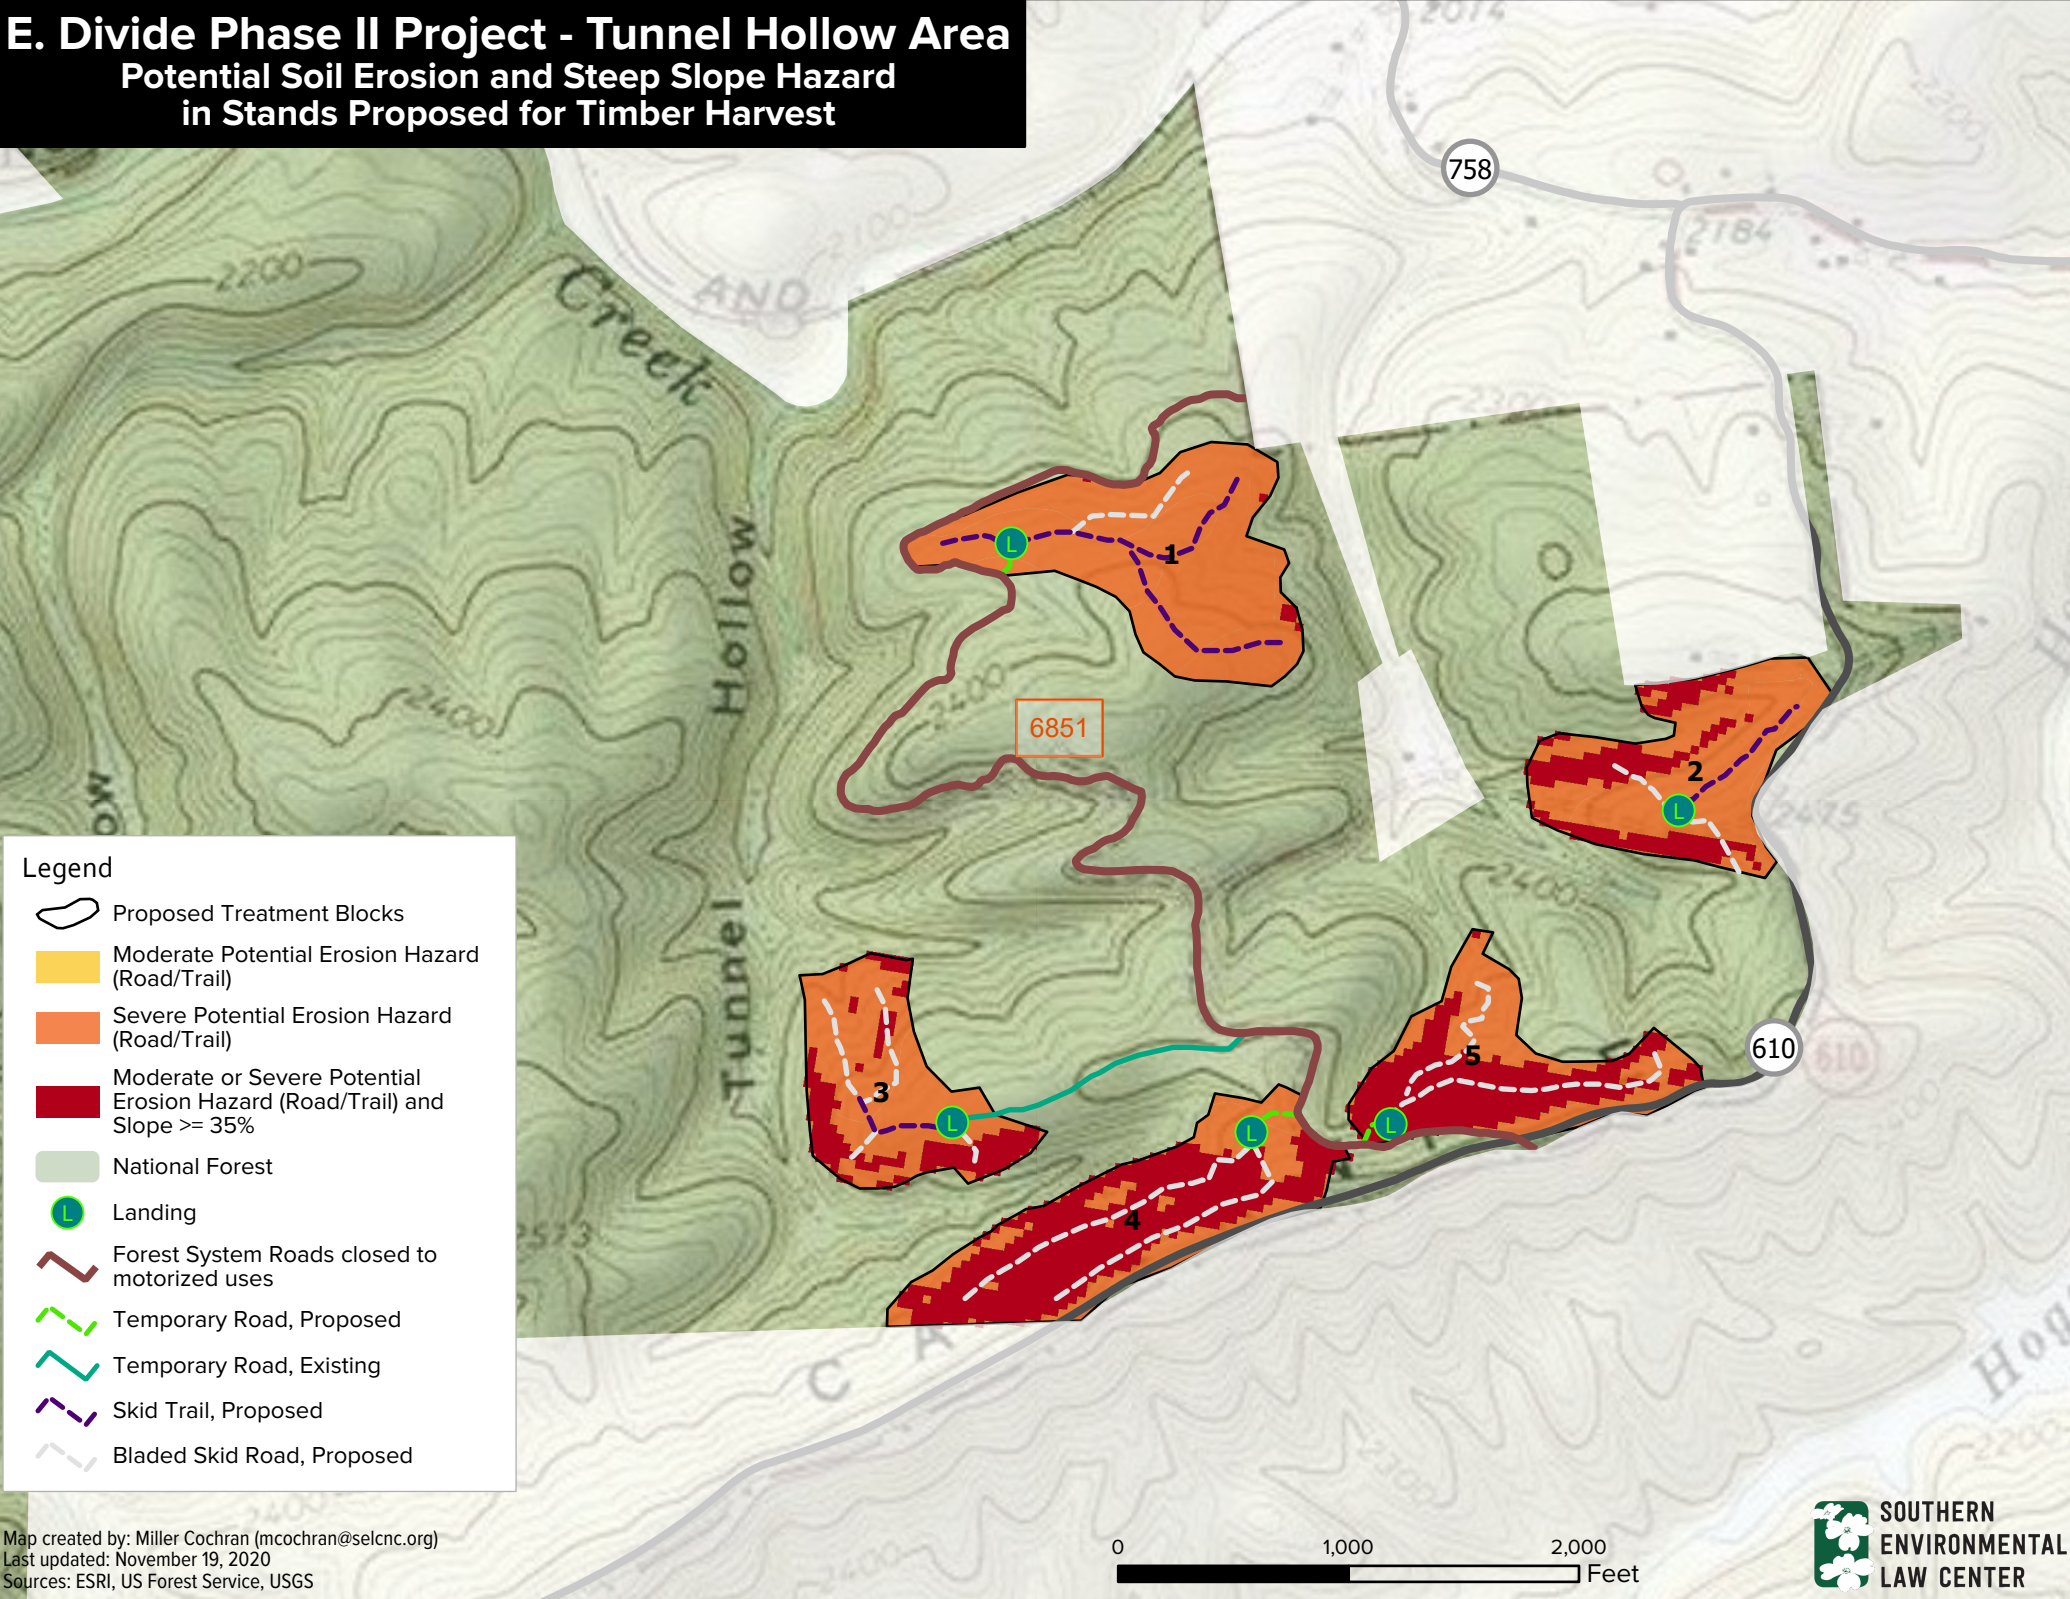

Potential Soil Erosion and Steep Slope Hazard in Stands Proposed for Timber Harvest

E. Divide Phase II Project - Peak Creek Area
Potential Soil Erosion and Steep Slope Hazard
in Stands Proposed for Timber Harvest

E. Divide Phase II Project - Tunnel Hollow Area
Potential Soil Erosion and Steep Slope Hazard
in Stands Proposed for Timber Harvest

Legend

- Proposed Treatment Blocks
- Moderate Potential Erosion Hazard (Road/Trail)
- Severe Potential Erosion Hazard (Road/Trail)
- Moderate or Severe Potential Erosion Hazard (Road/Trail) and Slope $\geq 35\%$
- National Forest
- Landing
- Forest System Roads closed to motorized uses
- Temporary Road, Proposed
- Temporary Road, Existing
- Skid Trail, Proposed
- Bladed Skid Road, Proposed
