To Miss (Mrs) Powell

Ref. slide

I believe I called + left  
a message on this?  
(w/ the area).

My answer is hell no!

This is not Disneyland -

Please do not tear up  
land (mt) - putting crap  
like that! (Don't mess  
with nature)!

I've always spent time  
in (mt.) both that area

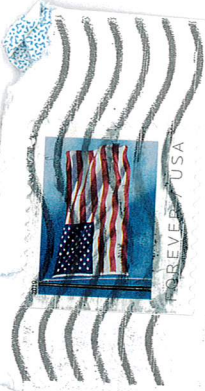

\* south of 940.

My dad was a Contractor  
that built cabins - (the old  
P.O. in Cedar Crest) + ?

part of old restaurant (fish)  
in 60's). Used to be able  
to hike).
