See below message from Joel Nudelman regarding the Thorne Bay request. See attached map to reference what Item 3 is. Basically Item 3 is no longer part of the request.

Thanks, Rich

Hi Richard,
Yes I would be the contact. **We've decided to omit Item 3 but still need 1 and 2.** Were you able to find the flag line for #2 ok?

Thank you,
Joel

Hello Joel, perhaps I should have sent this to you instead?

Hello Greg, we are moving forward with the analysis on your road requests. One thing we do not have is GIS / GPS data for item 3 on the permit request. Perhaps the flagging has fallen or deteriorated but we were unable to find enough to map the route. Can you provide the data in as a feature class or shapefile format?

Thanks, Rich
