Registration Increases is not a direct correlation to increased participation rates. IDPR estimates that a large portion of the increase can be attributed to increasing registration compliance. This table includes registered off-highway motorcycles, all-terrain vehicles, utility vehicles (UTVs), and speciality off-highway vehicles (SOHV). UTVs were not identified as a separate registration until 2007 and SOHV were not identified as a separate registration until 2009. Base data run report date October 15, 2014.
