

Dear San Miguel River,

I love you because of your twists and turns. your beautiful scenery, and fresh water. For your nostalgia. And good memories.

You deserve to be protected because climate change is real. And human beings have already destroyed so much of our earth and habitats.

I believe that you should be determined eligible under the Wild and Scenic Rivers Act so that your outstanding values and free-flowing waters can be recognized and protected for future generations.

Sincerely,

Julia M
