

I am writing to urge you to protect the timber industry, outdoor management, and hunting by choosing alternative descriptions B or C.

I grew up in Montrose, CO and my husband is now a local business owner in Montrose and Grand Junction. We enjoy recreational activities in the GMUG National forest year around. We are also passionate about maintaining our local industries.

Alternative D would create the most destruction to our way of life and future by not properly managing our greatest resource.

Sincerely,  
Emily Padley
