I am writing this email regarding a map from your website
at <https://storymaps.arcgis.com/stories/f8db14b11ecd41cf88bf628fbfac49ed>

This is linked off of <https://www.fs.usda.gov/main/gmug/landmanagement/planning>

and is announcing your plans for a new bicycle trail. Your map shows a NFS road through my
property. (see attached screenshot).

I am asking you to cease and desist the depiction of the road through my property as a NFS road. If this map is not corrected to show that the road is closed pending the federal court case I will be making further claims in the case.

Sincerely,

Eric Aslakson
