Dear State Commissioners and Public Land Authorities:

Please stop limiting access to public lands in WY!
It's part of what makes our state a great place to live!
Please do not put "date limits" on access either!

Statement of support:

I support responsible mechanized and motorized recreation on the Caribou Targhee, Bridger Teton and Shoshone National Forests. I do not support any reduction in areas that any of the above recreational activities are currently allowed or a reduction in the time of year in which these activities are currently allowed to occur.

Dear State Commissioners and Public Land Authorities:

Closing roads and forcing everyone into smaller
areas impacts the open areas too much. Do
not want any additional roads closed. Need to
open roads that have been closed. This is
supposed to be public lands - not owned by
the Democrats and bureaucratic government.

Statement of support:

I support responsible mechanized and motorized recreation on the Caribou Targhee, Bridger Teton and Shoshone National Forests. I do not support any reduction in areas that any of the above recreational activities are currently allowed or a reduction in the time of year in which these activities are currently allowed to occur.
