AMPL comment letter for Shoshone NF travel planning.pdf

Dear Acting Supervisor,

Please see the two files attached. One is a formal comment from Advocates of Multi-Use of Public Lands related to Shoshone National Forest travel planning. The other file contains 225 individual unique comments that we collected and committed to submit on behalf of these individuals. An original of all 225 comments including AMPL's comment has been sent via USPS priority tracking number EL665900631US for 2 day delivery. Thank you for your consideration of these comments.

Sincerely,

Jesse Combs
President
Advocates for Multi-Use of Public Lands
