Subject: Comments for the Shoshone National Forest Revised Proposed Action for the Travel Management Project
Attachments: CTVA Comments on Shoshone TMP 12 3 2017.pdf

We have assembled the following information and issues from our members and other motorized recreationists for the project record. We appreciate the opportunity to provide our comments for the Shoshone National Forest Revised Proposed Action for the Travel Management Project. We enjoy riding our OHVs on primitive trails and roads in the Shoshone National Forest. All multiple-use land managed by the Forest Service provides a significant source of these OHV recreational opportunities.

Thank you for considering our comments.

Sincerely,

/s/ CTVA Action Committee on behalf of our 240 members and their families and friends
