Subject: Comments about the Proposed Shoshone National Forest Travel Management Plan
Attachments: COMMENTS RELATED TO THE PROPOSED ACTION FOR THE SHOSHONE NATIONAL FOREST.docx

To Whom It May Concern,

The Attachment to this email contains my comments related to the Proposed Action for the Shoshone National Forest's Travel Management Plan. I would like them included in the public record. because I am only familiar with the area drained by the Clarks Fork of the Yellowstone River, my comments are restricted to that portion of the forest's North Zone.
