Dear Acting Forest Supervisor,

I am writing ask that you, at a minimum, continue to provide the same areas for OHV and OSV recreation. If anything, open up more roads and acreage so that the users may have an opportunity to disperse more to facilitate any potential impacts from use. I respectfully ask that you do this instead of limiting days of use or even territory. It is a crime in my opinion to deny the public use of their lands.

Thank you,

Reggie Benz
