Subject: comments on Shoshone revised proposed action (email 1 of 2)
Attachments: previously submitted 1.zip; WWA revised proposed action comments.pdf

Hello,

Comments from Winter Wildlands Alliance on the Shoshone's revised proposed action for travel management planning are attached. I am also including a zip file containing comments, reports, and other information we have previously submitted to ensure it is all in the record. This is the first of two emails - I will send a second email with another zip file ("previously submitted 2").

Please let me know if you have any trouble opening any of the attached files and I can send a hard copy.

Thank you,
Hilary Eisen
