1. Which proposal are you commenting on?

NZ-04

2. Provide comments below on the proposal:

Please be specific and provide rationale for your position. In other words why do you like for dislike about the proposal.

This trailhead facility is very appealing for public use. Because it offers stock holding facilities I believe it should be available for ~~that~~ those users. An alternate site for non-stock users would be great. They should have similar camping opportunities without blocking horse/mule use of the existing facilities.
